FR MODIFICATION, HOME 40 SUBDIVISION.

SEND A SINGLE EMAIL: The applicant prepares a single email to be sent to brett@yellowstonearchitects.com which shall include all of the following items that are required to begin the FR MOD review process:

- Include a signed copy of the 060622 Home 40 Owner Agreement Form in the application email.
- A project narrative describing the requested changes to the project.
- An updated site plan with REV CLOUDS indicating areas of change (if the project has no site changes, then this document is not required).
- Updated building floor plans and elevations with REV CLOUDS indicating areas of change (if the project has no floor plan/elevation changes then this document is not required).
- Updated exterior material boards and exterior light fixture cutsheets if required (if the project has no exterior material or lighting changes this document is not required).
- Complete design documents for any new detached structures.
- Updated color renderings if required to adequately describe all exterior changes.
- Any other documents required to adequately describe all changes being proposed for the project.

END OF HOME 40 FR MOD APPLICATION
Brett R. Potter, AIA, LEED AP.
