Thank you for purchasing a lot in the Cloverleaf Meadows Subdivision!

Cloverleaf Land and Development LLC has appointed Saddle Peak Properties LLC to conduct plan review and issue Design Guidelines to ease the design review process. Our goal is to be prompt in plan review and issue the review result within 14 days. If Saddle Peak expects not to make the 14 day standard review window, you will receive an e-mail at the address you furnish below with the expected completion date for your review.

Please submit your structure and landscape plans, in conformity with the attached guidelines to Saddle Peak Properties, LLC at:

Saddle Peak Properties LLC
P.O. Box 4240

Electronic transmittal of plans are preferred and should be sent to:

Please attach your check for the review fee of \$450.00. If you include your landscape plan the single fee covers both the structure and landscape review. Later submittals of landscape reviews require an additional \$150.00 fee with the separate Landscape Review Application.
